Life is made up of an infinite amount of choices. Most decisions, such as what you'll eat for lunch today, are small and only slightly impactful, but it's the big decisions—the ones that can change your life forever—that are tough to make.

Resource person: Fr. Ivan D'souza SJ , Youth Director of the Holy Family Parish. He is Vocation Promoter of the Bombay Province of the Jesuits. Fr. Ivan Conducts many sessions for the youth , such as Personality Development , Soft Skills, Spiritual sessions, recollections and other programmes in different colleges. Presently he animates the Youth Mass that is live streamed every Sunday.

Fr. Ivan guided us through this journey to make a Choice with a new perspective towards Life.

Keri Russell has truly said “Sometimes it's the smallest decisions that can change your life forever.”

1. Session was very useful.
2. A good session especially at this point of life when we (Final year students) are battling with life/career choices. More sessions like this needs to be organized, not just for Catholic students but for others too.
3. Please organise more seminars like these in the future!!!
4. It was a thought provoking session. Really enjoyed attending it
5. It was good ,really helpful
