TE-IT :3

TE-EXTC : 1

BE-COMPS :0

BE-IT :0

BE-EXTC :1

On the occasion of the World Environment Day, the National Society of the Friends of Trees, in collaboration with The Indian Association of Secretaries and Administrative Professionals (IASAP) and the NSS unit of XIE, organized a tree plantation drive on 11th June 2022. 8 NSS volunteers attended the activity.

The session started with identifying the saplings on the campus and separating them. Various areas around the campus were already dug to plant the saplings therefore grouping the saplings according to the surroundings was required. This was followed by the address by the Director, Fr. Dr. John Rose SJ and Principal, Dr. Y.D. Venkatesh, as well as some dignitaries from the 'Friends of Trees' and IASAP. The NSS volunteers, faculty members and staff of XIE participated in the planting of saplings in the campus garden and in some parts of the college ground. About 50 saplings were planted and a vow to take care of them was taken.

This activity helped the volunteers learn about the various different plants/trees and how their saplings look.
