SE-IT :04

SE-EXTC:00

TE-COMPS :01

TE-IT :01

TE-EXTC :01

The National Service Scheme (NSS) in occasion of Azadi ka Amrit Mahotsav brought the activity of Feeding the Strays. The NSS volunteers of Xavier Institute of Engineering (XIE) Mahim, had actively participated in this event.

The event was for 3 days from 15th August 2022 to 17th August 2022. The NSS volunteers were told to feed the stray animals whatever suitable food and not the leftover food which has to be finished at home. While feeding the NSS volunteers were told to click photos in order to post on official site. They were required to fill a form where they had to specify what kind of food they fed to the strays.

The efforts of everyone for a noble cause made the day successful. All the volunteers did the great job and surely they would do the same in future. This event definitely made a difference and changed people's mindset towards strays as some of them scared of strays.

This is the day which gave realisation to NSS volunteers that how the stray animals feed on garbage and don't get any nutrition and taught them why feeding to strays is important.
