

MRS SCHWARZ EDUCATIONAL SCHOLARSHIP

Mrs Schwarz Educational Scholarship for financially challenged students has been established since 2021 in memory of Mrs Barbara Schwarz (née Thielen), mother of Fr Dr Thomas Schwarz SJ. It is meant to help them complete their engineering studies without bank loans. This scholarship covers the entire tuition fees for a year.

This educational scholarship has been established with 10,000 Euros received from the Schwarz family and with Rs 9,00,000:00 from the Jesuit Community of XIE. The interest on the total amount will be given as a scholarship every year on Convocation Day by the Schwarz Scholarship Committee (SSC) after scrutiny of all the necessary papers. And every year XIE will send the names and photos of the beneficiaries to Mrs Schwarz's family.
