Seminar on Bridging the Gap between Academia and Industry

17th July 2023,
XIE, Mahim

The Department of Electronics and Telecommunications has organized a seminar on "Bridging the Gap between Academia and Industry" for third and fourth year students. It was held on the 17th July 2023. The Seminar was conducted by Mr. Rajesh Palande, Head of Practice, Tata Communication Transformation Services (TCTS). A total of 60 students from TE EXTC and BE EXTC attended this workshop.

The Seminar started from 1.30 pm to 3.30 pm, and the Event commenced with the Introduction of the guest speaker by Aishwarya Shenvi from BE EXTC. Then the Seminar was carried out by Mr. Rajesh Palande.

Mr. Rajesh Palande started the seminar with the future scope as a telecom engineer because he had extensive experience in this field for the last 22 years. He started with a talk on DevOps, cloud, networking, IoT, and Data science. During the session, he interacted with students and gave career guidance in the Telecom field. Then he talks about how telecom companies are moving to the cloud. He discusses how to build a resume and talks about networking certifications (CCNA, CCNP, and CCIE) and AWS cloud certification. He gave ideas for building your own startup.

In this event, everyone actively participated to make it successful. In the end, Tanmay Gokarn from BE EXTC gave a Vote of Thanks to the speaker, and Prof. Smita Pawar wrapped up the Seminar by giving a token of appreciation to the speaker, Mr. Rajesh Palande, and all the students who gave their best to make this Seminar successful. The event was successfully conducted under the guidance of Prof. Leena Patil And Prof. Smita Pawar.
