Description of EVENT: A talk on higher studies in Australia and opportunities after BE

Details of the resource persons: Mr. Fazal Sayad, an alumnus

Mr. Fazal Sayad, an alumnus of this institute belonging to the Department of Electronics & Telecommunication was invited to interact and share his experiences about higher education with the final year students of the department on January 27, 2020. He is currently pursuing his Master's Programme in the field of Electrical and Network Management in Australia. The talk was arranged by Prof. Smita Pawar, class in charge of BE EXTC, in the LH-09 at 3.30 pm.

Student Feedback and Benefits:

Final year students were delighted to see their senior standing in front and enlightening them on higher studies.

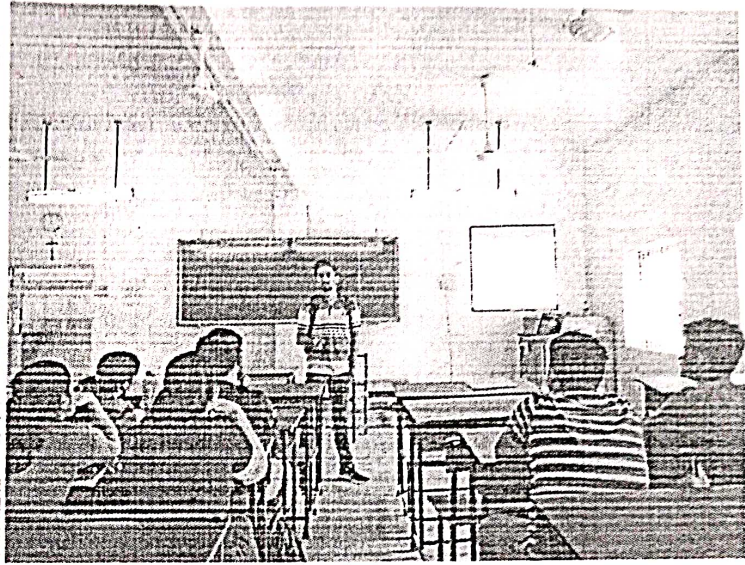

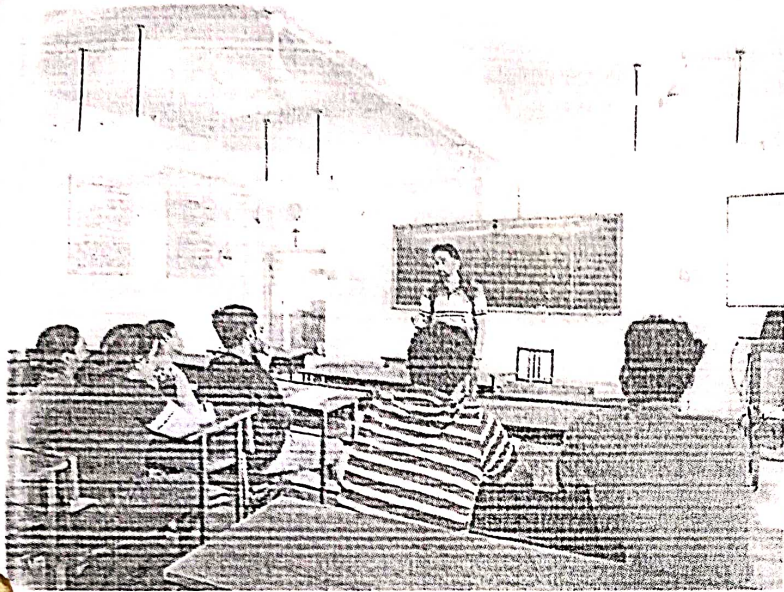

Students who wish to pursue their higher studies are benefitted with the experience shared.
