Big Data Analytics Project Exhibition of class B.E (Computer Engineering) was held on 22<sup>nd</sup> October, 2019 in Operating System lab and Software lab at 10 am. It started with the small talk about importance of analyzing today's big data and the future scope in that field by our director Fr. Dr. John Rose; S.J. The students came up with innovative project ideas & demonstrated their project to other students & faculty members.
