A Mock Aptitude Test was organized for T.E.& B.E. (COMPS) students and it was conducted on XIE ERP.

The test was conducted to give insight to the students about how aptitude test is conducted during placements. The test consisted of questions on aptitude, basic maths, statistics and critical reasoning. It was a practice test for students so they could know what are their strengths and weaknesses i.e. in which topics they are good and on which topics they need to prepare more.

Student Feedback and Benefits: The test was very helpful to students in giving an idea about the topics they are good at and on which topics they need to work more.
