Action Taken Report

Stakeholder	Students	
No. of Responses	262	
Sr. no.	Suggestions	Action Taken
1	Theoretical concept of spectroscopy is difficult to understand. If it is explained practically, it will be really helpful.	An experiment on digital colorimeter (spectroscopy) was introduced and conducted for First year students.
2	Other than NSS, academic clubs/ societies can be also framed.	Science Club (for FE) was framed and a few guest lectures were conducted under the same.

Supporting Information on Action Taken report:

Analysis of Mn ions using Digital colorimeter
