The induction program was organised by WDC to make the newly admitted girls aware of all the activities and events that will be conducted by WDC. The main objective of this program was to make the girls acquainted with what WDC has to offer them.

This event started with a small introductory speech from the Convener of WDC **Prof.Smita Pawar** where she elaborated on the perks of being part of WDC. The event was hosted by the student coordinators of WDC: **Ms. Michelle Macwan** from TE COMP and **Ms. Prarthana Gupta** from TE IT. The event started with a divine prayer recited by the host Ms. Prarthana Gupta. The Director, **Fr. Dr. John Rose SJ** was present for the programme and addressed the participants.

Then the host presented the committee members of the A.Y. 2021-2022. Thereafter, the previous year as well as previous sem events carried out by our very own WDC were manifested. Then the girls were informed about the various awards that WDC has to offer them and also they were made aware of all the previous year winners. The new girls were also enlightened about the various strategies and events that WDC has planned for the current academic year. The newly made Girls Common Room at XIE left the girls spellbound.

Thereafter, girls were addressed by the Ms. Shweta Mathur the Sr. Manager and Head of the Mumbai centre of Katalyst. Katalyst is a NGO that works for the empowerment of women. It works with women in STEM education. She was accompanied by Ms.Sanjukta, who is coordinator of the Mumbai centre.

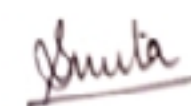

Last but not the least, **Prof. Madhura Shirodkar** thanked everyone for their presence. Thereafter, Ms. Anisha Prabhu extended the Vote of Thanks.
