Placement Training by Chirag Thakkar, Smartwayz

Date, Time and Place:
17th June 2025 to 23rd
June 2025

9:00 AM to 4:30 PM

Seminar Hall

Platform: Offline

Objective(s):

The Placement Training Program aimed to enhance employability skills by combining quantitative aptitude, reasoning ability, verbal skills, interview techniques, and career guidance. It sought to bridge the gap between academic learning and industry requirements while boosting students' confidence for the upcoming placement season.

Beneficiaries:

Final-year students across departments, including Allyn Girls

No. of Participants: 15

Venue: Seminar Hall

Key Points:

- Comprehensive coverage of aptitude topics: Averages, Percentages, Ratios, Time-Speed-Distance, Work Rate, Permutations, Probability, Calendars, Numbers, LCM-HCF

- Reasoning and verbal ability training: Syllogisms, Grammar, Sentence Correction, Error Spotting, Reading Comprehension, Matrix Problems, Visual Reasoning
- Soft skills development: Self-presentation, confidence building, interview strategies, and group discussion practice
- Career guidance sessions on both conventional and unconventional career paths, including study abroad opportunities
- Access to SmartWayz Online Testing Portal with 30 practice tests for independent preparation

Day- wise Summary:

Day 1: Foundations of Quantitative Aptitude & Self-Presentation

- **Topics:** Averages, Alligation, Percentages (applications)
- **Soft Skills:** Personal grooming, self-presentation, recruiter expectations

Day 2: Quantitative Depth & Communication Essentials

- **Topics:** Ratio and Proportion, Age Problems, Time-Speed-Distance, Work Rate
- **Soft Skills:** Structuring interview answers, avoiding common mistakes, clear communication

Day 3: Advanced Quant & Career Clarity

- **Topics:** Permutation & Combination, Probability, Calendars & Clocks, Numbers, LCM-HCF
- **Soft Skills:** Career opportunities in India & abroad, higher studies options, goal setting

Day 4: Reasoning Skills & Self-Improvement

- **Topics:** Syllogisms, Articles, Prepositions, Sentence Correction, Family Arrangements, Matrix Problems, Visual Reasoning
- **Soft Skills:** Confidence building, self-improvement habits, resilience against rejection

Day 5: Verbal Ability & Group Discussion Practice

- **Topics:** Error Spotting, Reading Comprehension
- **Soft Skills:** Group discussion strategies, articulation, active listening, respectful disagreement

Outcome:

- Enhanced speed and accuracy in aptitude problem-solving
- Improved verbal and reasoning capabilities for placement tests
- Greater confidence in professional communication

- Clearer understanding of varied career options
- Hands-on experience in group discussions and mock interview settings

Conclusion:

The SmartWayz Placement **Training** Program effectively prepared students for the upcoming placement season by blending technical aptitude training with essential soft skills. The initiative not only enhanced academic-to-industry readiness but also equipped participants with the confidence and clarity to navigate their career paths.
