XIE Alumnus Mr. Alister D’silva (Director at Absolute Motion Pvt Ltd) who graduated from the ETXC department of XIE in the year 2014 conducted the Prayas Basic Course for the EXTC students of XIE. The course was not chargeable for XIE students. The sessions were conducted from 28th - 30th May 2020 from 3.00- 5.00 pm on an online platform, Microsoft Teams.

The course contents included: Basic Industrial Automation including PLC programming and HMI design.

There were total 15 EXTC students who participated in this course including EXTC faculty member Ms. Tejal Deshpande.

The participants were provided E-certificates after the successful completion of the course.

Benefits: The students who opted for this course were exposed to the current trends of the industry and got a chance to directly interact with an industry personnel. Also, this was a great opportunity for the XIEAA to reach out to their alma mater.
