Activities

Prof. Chhaya Narvekar, Head of the Department of Information Technology successfully completed a five-day Online STTP on Recent Trends and Applications of Machine Learning and Deep Learning in IT organised by the Department of Information Technology, RAIT, Navi Mumbai between May 25 to 29, 2020.

Prof. Jyotsna More from the Department of Information Technology has completed five days FDP on Disruptive Technologies of Industries 4.0 organised by FCRCOE from May 30- June 3, 2020. She has also completed a quiz on the same FDP conducted on June 6, 2020.

Prof. Suvarna Aranjo from the Department of Information Technology has participated in a webinar, Outcome Based Education Software on June 4, 2020 which was organised by Vmedulife Software Services. She also participated in a Quiz on COVID-19 which was organised by the Computer Society of Xavierites of Xavier Institute of Engineering on May 31, 2020 and in the National Level Online Quiz entitled Research Quotient organised by R & D Cell, M H Saboo Siddik College of Engineering on June 5, 2020, scoring 100% . Besides, she also attended an online one-week Faculty Development Programme (FDP) on Data Science organised by Fr. Conceicao Rodrigues College of Engineering from May 26-30 , 2020.

Prof. Jaya Jeswani, Prof. Nikita Lemos, Prof. Sulochana Devi, Prof. Suvarna Aranjo and Prof. Jyotsna More from the Department of Information Technology and Prof. Lalita Moharkar from the Department of Electronics and Telecommunication has successfully completed a six days online Faculty Development Program on Experimental Design and Optimization of Research in Machine Learning from June 1- 12, 2020 which was conducted by the Department of Information Technology, Xavier Institute of Engineering, Mahim, Mumbai.

Prof. Suvarna Arango, Prof. Smita Pawar, Prof. Teena Varma, Prof. Jyotsna More, Prof. Kavita Jain, Prof. Omprakash Yadav, Prof. Vijay Jumb and Prof. Sushama Khanvilkar attended an online one-week Faculty Development Programme (FDP) on Introduction to Latex organised by Xavier Institute of Engineering, Mahim Causeway, Mumbai-400016. from June 15-20 , 2020.

XIE's online course on Career Booster by the Department of Information Technology has concluded with a huge success. The course was offered to the students during June 9-14, 2020 and was co-ordinated by Prof. Jyotsna More. Mr. Sanket Rane conducted sessions on calculation tricks, shortcuts, Numbers (Basic and Power Cycle), Professional Growth (Resume Building, Grooming, GD/PI, Internship) and Prof. Jyotsna More conducted a session on Research Paper Guidelines. An online quiz was conducted on the last day of the course. A total number of sixty-seven participants benefitted from this course.

Prof. Suvarna Arango, Prof. Smita Pawar, Prof. Teena Varma, Prof. Jyotsna More, Prof. Kavita Jain, Prof. Omprakash Yadav, Prof. Vijay Jumb and Prof. Sushama Khanvilkar attended an online one-week Faculty Development Programme (FDP) on Introduction to Latex organised by Xavier Institute of Engineering, Mahim Causeway, Mumbai-400016. from June 15-20 , 2020.

Achievement

Aditya Bohade (F.E- IT) has completed online activities like Corona Oath Taking by Government of India, and has completed the Career Booster Course during June 9-14, 2020 offered by the Department of Information Technology, XIE and a quiz on Corona on May 30, 2020 conducted by XIE.

Rohan Joshi (B.E.-IT) has completed an impressive number of online certification courses and virtual internships during the current lockdown season. The courses include Google IT Support Specialization Professional Certificate, Machine Learning in Python & R In Data Science, AWS Fundamentals Specialization Professional Certificate, TCS iON's Career Edge -Knockdown the Lockdown, TCS iON's Digital Learning Overview of Agile, Google Cloud Platform Fundamentals: Core Infrastructure, HTML, CSS, and JavaScript for Web developers offered by Johns Hopkins University, Data Structures & Algorithms, Mastering Big Data with MySQL offered by Duke University, Blockchain & Cryptocurrency Course offered by University of Michigan, Ann Arbor, Technology Consulting Virtual Internship offered by Deloitte, Australia, Software Engineering Virtual Internship offered by J.P Morgan Chase & Co., Data Science Virtual Internship offered by KPMG Australia, Institutional Banking Virtual Internship offered by Citi Bank, and, Latex Software Workshop offered by IEEE Section of K.J Somaiya College.

The inauguration of an online course on Java Programming for Beginners for students, offered by XIE's Information Technology Department and Computer Engineering Department took place on June 17, 2020 at 9.50 am. The Director, Fr. Dr. John Rose, S.J. and the Principal Dr. Y. D. Venkatesh along with all the faculty members of XIE and the registered students attended the inauguration online. The co-ordinators for this course are Prof. Kunal Meher and Prof. Kirti Motwani from the Department of Computer Engineering, Prof. Sulochana Devi and Prof. Nikita Lemos from the Department of Information Technology. The course will be conducted on Wednesdays and Fridays every week from 10 am to 12 noon.

Prof. Jaya Jeswani from the Department of Information Technology attended a One Week Online FDP on Engineering Education and the Industry: A Post COVID-19 Perspective organised by MCT's Rajiv Gandhi Institute of Technology, Mumbai during June 1-5, 2020.

Prof. Nikita Lemos and Prof. Sulochana Devi from the Department of Information Technology completed a one week Faculty Development Program on Data Science from May 26-30, 2020, and an online quiz on Data Science on 31st May 2020 organised by the Department of Information Technology, Fr. Conceicao Rodrigues College of Engineering, Mumbai.

Prof. Jaya Jeswani from the Department of Information Technology attended a One Week Online FDP on Engineering Education and the Industry: A Post COVID-19 Perspective organised by MCT's Rajiv Gandhi Institute of Technology, Mumbai held during June 1-5, 2020.

Prof. Jaya Jeswani from the Department of Information Technology attended a One Week Online FDP on Engineering Education and the Industry: A Post COVID-19 Perspective organised by MCT's Rajiv Gandhi Institute of Technology, Mumbai during June 1-5, 2020.

Prof. Martina D'souza from the Department of Information Technology successfully took part in three National Level Quizzes, NBA on June 10, 2020, NAAC on June 9, 2020., and E-Learning on June 14, 2020, organised by the Department of Computer Engineering, Padmabhushan Vasantdada Patil Pratishthan's College of Engineering (P.V.P.P.).

Prof. Jyotsna More, Sayali Pawar (BE-IT), Namrata Bomble (BE-IT) and Bhavin Nirmal (BE-IT) presented their paper titled Implementation of Machine Learning Algorithms for Employee Recommendation (NTASU5033) in the Vidyavardhini's National Conference 2020 Technical Advancements for Social Upliftment organised by Vidyavardhini College of Engineering and Technology on June 27, 2020.
