KATALYST EVENT

On 10th October a Katalyst event was organised in Xavier's Institute of engineering and it was the 2nd event of women development cell. The event started with introduction of katalyst coordinator, Ms Shweta Mathur. Then she introduced us with the organisation Katalyst and it's goal . Which is to help and empower female engineering students who need financial and medical assistance. Later on they told the whole the student the whole structure of katalyst, the working process , and lastly the registration process. In the end vote of thanks was given to the Katalyst for this wonderful session . With group photographs this orientation event ended successfully.
