Soft Skills & Trainings

DATE: 22/08/2018

.Net Training and Internship Program was a 1 week training and 1 month Internship Program that was organized to provide the students of Xavier Institute of Engineering to understand the .Net Framework and C# Programming.

The Training and Internship program was been conducted by Mr. Chirag Panchal, CMP Infotech.

Third Year students of batch 2019-20 from all departments were part of the program. The purpose of the program was to allow the students to learn and understand .Net Framework. The program allowed the student to understand Basics of C#, OOPM in C#, working with ASP .Net framework, Microsoft Database Server and opportunity to work on live project.

The program was organized at Xavier Institute of Technology. The total duration of the training and Internship program was 1 Month and 7 Days, in which 1 week training and 1 month of Internship opportunity was provided. 40 students from all departments were part of the program.

After the Training was completed the students appeared for Microsoft Technology Associate (MTA) certification exam. Clearing the exam, the individual were provided an E-Certificate which recognized the individual as Microsoft Technology Associates for Software Development Fundamentals.

The program received a lot of positive feedback. The students got a hands on practice to a new technology that was not a part of syllabus. All the OOPs doubt faced by the students before the training were also cleared.

No of participants:

42 students + 3 Faculty

The visit to Parle-G Factory was arranged for Third Year Students by College TPO as part of their BCE PROJECT. Students went to Ambarnath MIDC, "Bunty Foods Pvt. Ltd." Manufacturing Unit of Parle-G.

An entire factory tour was arranged for students. Whole working of boilers in the factory, how biscuits are made, how packing is done and printing of Packing IDs etc was shown. The process was explained by Mr. Pathak from Parle-G.

A video presentation related to History of Parle-G and the process of manufacturing was shown to everyone. At the end, biscuits were given to all visitors.

Student Feedback and Benefits

It was a very informative visit. Students came to know how a factory works and how the process in the factory is managed. It was a great exposure to industry for students.
