The Women's Development Cell of Xavier Institute of Engineering organized the John and Frank Trochi Women of Research Award for the academic year 2022.23 for all the female students of BE. The interviews for this award were held on 2nd of March, 2023 from 3:30 to 4:30 in the Software Lab. The faculty coordinator for the award was Prof. Nilambari Narkar and the student coordinator was Miss. Shinell Athaide.

The judges invited for interviewing the participants were Prof. Kunal Meher and Prof Vijay Jumb. There were a total of 6 participants. The participants were judged based on the criteria which included Significance of their research, publications of their research and purpose and execution of the research.

The winner of the Best XIE girl student award was Miss. Monika Anabathula from BE Computer Engineering. The winner was felicitated with a certificate, trophy and the award prize money given was Rs.2000.
