Time & Place:

3:30 pm – 5:00 pm

**At Xavier Institute of
Engineering**

No of participant:

16

Poster Competition

Women's Day was celebrated in Xavier Institute of Engineering. This event was organized by the Women Development Cell of the academic year 2022-2023. The event was held on 8th March 2023

This year WDC felicitated female students of Xie with various awards. Out of which one of the award was Joan and Frank Trocki Women Theme Poster Award.

Posters are a visual medium that can quickly capture the attention of a target audience, convey key information, and leave a lasting impression. There were 15 plus entries from all departments.

Students came out with appealing creativity which was clearly seen through their posters. Students submitted their art to Prof. Sayli Mane which was then evaluated based on imagination, originality, innovation, skills, efforts, presentation and performance.

Winner was announced and awarded with certificate on the women day celebration by the chief guest Anaheez Patel.

The winner for the competition was Cecilia Dinesh from FE Comps.
