TALENT SHOW: "Empowered women empower other women."

(An event hosted by Women Development Cell by Xavier Institute of Engineering.)

This academic year WDC created an instagram page and whatsapp group to have an active interaction with its peers. Followed by two sessions of meeting, the student members with the guidance of our faculty members decided the first event of WDC, the TALENT SHOW- which would revolve around promoting and nurturing talent within our college.

Our targeting audiences were girls of FE, SE and TE. We received an overwhelming response of 78 students.

The event was inaugurated by the inspiring words of FR.(DR.) John Rose S.J. (director of the college) and DR. Y.D. Venkatesh (principal of the college.)

The event was hosted by Prof Martina D'Souza ma'am, Alisha Joy and Lysandra D'Souza.

The event proceeded with display of various talents of students of our college like cooking, dancing, singing, poetry and sketching followed by some light hearted games which were enjoyed by students and teachers.

The goal of the event was to have a session where we could achieve appreciation for budding talents of our college and to enjoy some time away from academic stress. With the help of members of WDC our goal was achieved. The proper work division within the cell helped the event to run as smoothly as possible.

Tejol Lahane(TE COMPS)- Registrations

Sampada Matkar(TE EXTC)- Designing of posters

Iqra Khatri(TE IT)- Certificates and feedback forms

Lysandra D'Souza(SE COMPS)- Event coordinator and anchoring

Kritika Singh(SE EXTC)- Social media handling and report making

Alisha Joy(SE-IT)- Event coordinator and anchoring

Overall, we received a positive response from our audience and they are looking forward to more event conducted by WDC.

Honestly. This program was so well organized and our beautiful Anchors did so well. Thankyou to all the teachers students and me	COMPS
