- 2. Prof. Saniya Gonsalves**

**Time & Place:**

**Microsoft Teams (4:00- 5:30 pm)**

**Department: Computer Engineering**

**No of participants: 60**

A guest lecture on 'How to attempt technical interviews' was organized for the TE students of all the departments. The guest lecture was organized in accordance to the course outcome of enabling the students to build their professional image and make them ready to meet the demands of the industry. The aim of the guest lecture was to give the students an understanding of the technical interviews and help them prepare for it better.

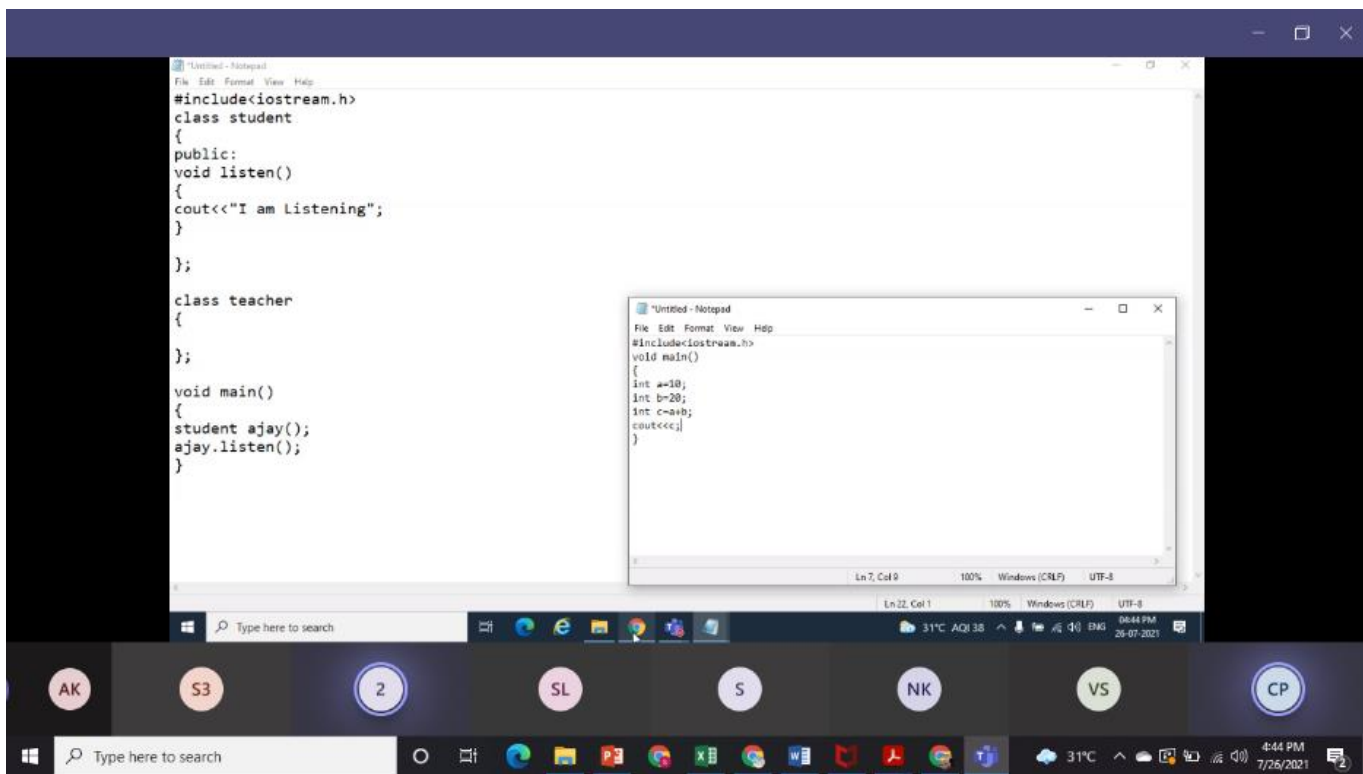

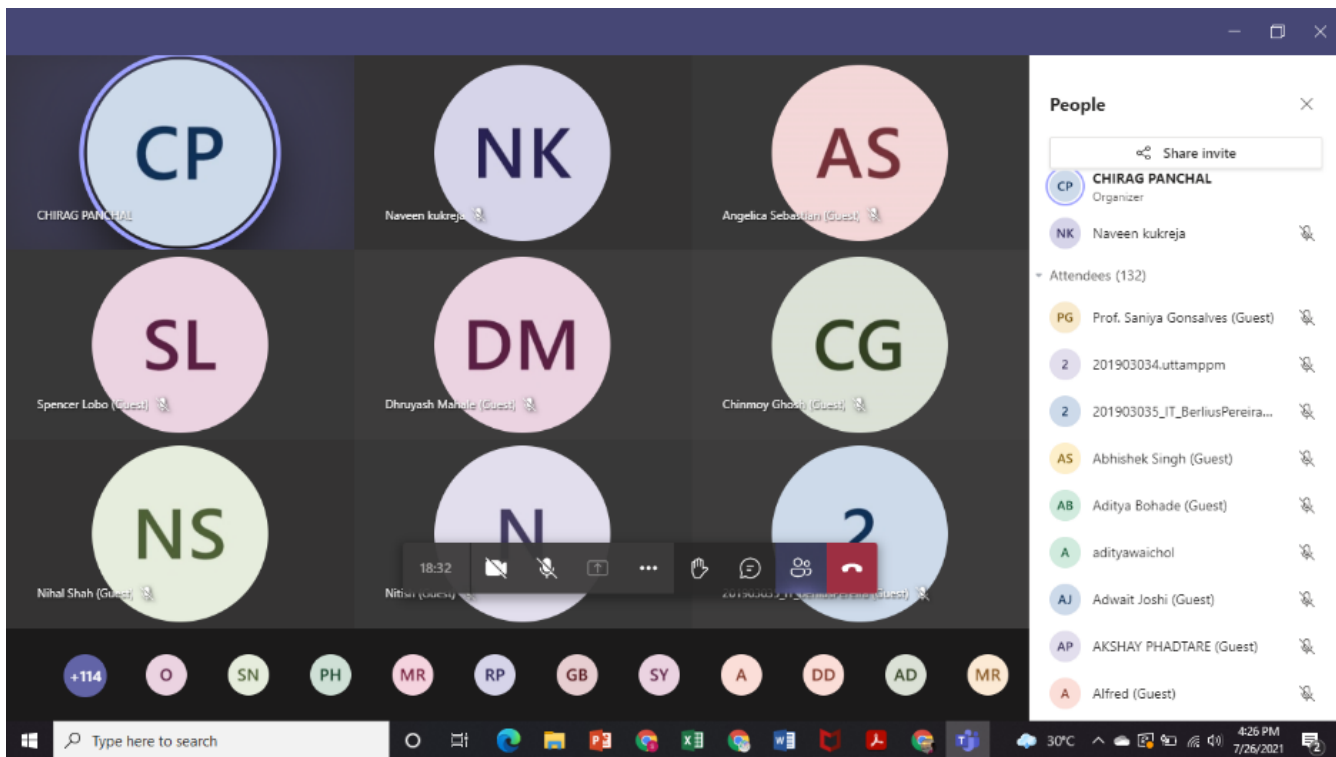

**Mr. Chirag Panchal**, who is a Microsoft Certified Trainer was the speaker. The duration of the session was 1½ hour from 4:00-5:30pm.

He laid emphasis on how solely possessing technical knowledge isn't just enough but also how we apply and present it during an interview. He gave a brief overview of what recruiters look for in people they wish to hire. This made the students aware as to what factors they should work on and build.

60 students from COMPS were present for this session. It was an interactive session. The attendees had their doubts cleared towards the end. Finally, the session concluded with a quiz in order to sum up whatever was imparted to them.

**Student Feedback and Benefits:** The overall feedback from the students was encouraging.
