Event Coordinators: Martina D'souza

Details of Resource Person: Mr. Ajit Dhanawade

No. of Participants: 67   **Class/Semester:** TEIT / V

Objectives:

Students will be able to learn and demonstrate purchasing domain and hoisting website on Internet

Description:

Web hosting is an online service that makes your website's content accessible on the internet. When you purchase a hosting plan, you are renting space on a physical server to store all the website's files and data.

Web hosts provide the hosting technology and resources required for the effective and secure operation of your website. They are responsible for keeping the server up and running, **implementing hosting security measures**, and ensuring that data such as texts, photos, and other files are transferred successfully to the visitors' browsers.

Hands on session was conducted for TEIT class to get insights on web hoisting.

COs / LOs achieved (if any):

POs achieved: PO1- PO 5, PO8- PO 10, PO 12,
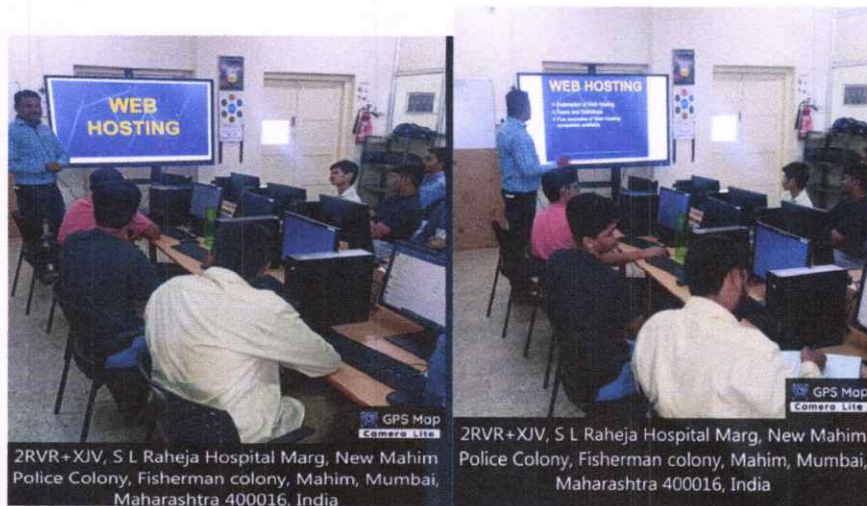

PSOs achieved: PSO 1
