2.

Time& Place:

Google Meet

10:00am to 11:30 am

Department: IT

No of participant:

On 4th Sept 2021 at 10:00 am to 11:30 am Expert talk was arranged for students of TE-IT on the topic Advancement & Industry Trends in Web Development.

Speaker for the session: Ms. Gauri Chaudhari , Alumni XIE 18-19 Batch currently working in TCS for more than 2 years on Drupal Development. Projects are based on Pharma companies websites.

Ms. Gauri spoke about industy methods on Web development. The various front technologies link Reactjs, Drupal and backend technology like Nodejs. Security aspects with regards to web was also discussed in this session. From the outstanding capabilities of HTML, CSS, JS, React in frontend to the uniqueness of Ruby in backend, whether to develop a simple static website or a complex SaaS application, there are a plethora of web development frameworks available in the market

TEIT R-19 scheme syllabus include Internet programming course focusing on Nodejs, Reactjs, Exprees.
After the session a quiz and external feedback was taken.

Student Feedback and Benefits
