The Department of Information Technology arranged an Expert Lecture for Students of BE IT on "Cloud computing and AWS" on 11th December 2022 in order to know about the importance of cloud computing in IOE and IOE interconnected devices. For this event, the Ms.Sharon Goldena Mary, Senior software engineer from Accenture delivered the lecture along with hands-on practices. The students joined the Lecture at 9.50 AM and they were eager to learn new things about different computing techniques in IoE. Fr. Dr. John Rose SJ, Subject Incharge gave a wonderful introduction about the expert Speaker.

Guest Speaker Ms.Sharon Goldena Mary elaborated on different aspects of computing techniques and its opportunities with examples. She also explained the major concepts and importance of AWS, Azure to the upcoming Industrial Internet of Things since most of the companies working on the IIOT. Ms.Sharon Goldena Mary added the importance of data analysis and visualization and the trends in current market.

At the End of the session students had a doubt-clearing session for various Job opportunities, Software related projects, and certificate courses related to the Internet of Things.

Finally, The Expert Lecture ended with a vote of thanks by Prof. Anchu Pillai.

This Expert Lecture Aimed to bridge the Gaps in Internet of Everything and the feedback from the students was very encouraging!
