A live webinar was organized for T.E.& B.E. (COMPS) students on the topic “*Group Discussion Tips and Tricks*” and it was delivered by **Mr Anurag Joshi**.

The live webinar was conducted using Zoom meet on 4th September 2021 and was organized by Ms. Kirti Motwani and Ms. Nilambari Narkar from Computer Engineering Department.

Total 23 students attended the live webinar and the objective of the webinar was to provide an insight to the third & fourth year students about Group Discussion and how to prepare for placement.

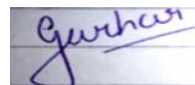

The speaker shared some valuable insights on how to create an impact during a GD. He also provided information on what qualities do companies focus on while hiring students, especially during campus placements. Points regarding technical certifications and coding languages were also discussed in short.

All the doubts/reservations of the students were cleared. Overall, the session was interesting and motivating for students.

Student Feedback and Benefits: The students found the session very informative, helpful and excellent. It was a knowledge gaining session about Group Discussions.
