Report

Details	Description
Event	Seminar
Organizer	Mrs. Tejal Deshpande ,Mr. Panil Jain
Speaker	Mr. Kapil Karnawat
Topic	Campus to Company :Kick Starting your Startup Journey
Day, Date and Time	Tuesday, August 5, 2025 from 1:30 to 4:00 PM
Venue	XIE, Seminar Hall
Audience	Second Year - Electronics & Telecommunication and IT Engineering students of Xavier Institute of Engineering
No. of Attendees	100
Objective(s)	The main objective of the seminar was to introduce students to the basics of entrepreneurship, how businesses can be started, and the support available through government policies and incubation centers. It aimed to inspire and guide students toward innovative thinking and self-employment.
Description	The seminar by Mr. Kapil Karnawat focused on the fundamentals of entrepreneurship and its role in solving real-world problems. He explained the mindset required to become an entrepreneur, shared relatable examples, and talked about different approaches to starting a business. He also introduced government schemes and incubation centers that support startups, and gave a brief guide on how to turn an idea into a business.

XAVIER INSTITUTE OF ENGINEERING
