The main objective of the course was to make our students ready to face any competitive exam in future. Also it aims to increase the rate of placement of our students. Mr. Sanket Rane (Director of Kori Paati Edutech, Virar) answered the questions and cleared the various doubts students had come up with. This was planned for all the students of XIE and non XIE during the period of lockdown to engage and motivate the students.

The students were asked to register on an online link/form which was shared by Prof. Jyotsna More. 67 students (65 from XIE+ 2 from other college) registered for the course. Course was conducted using the Zoom application. Inauguration of the course took place on the first day of the course at 1:30pm. During Inauguration Fr. (Dr.) John Rose, Director of XIE, Dr. Y. D Venkatesh, Principal of XIE and Prof. Chhaya Narvekar, motivated the students to make use of the opportunity to learn new techniques and make use of those in their career plan. Then, the faculty coordinator Prof. Jyotsna More introduced the students to Mr. Sanket Rane who gave keynote about the course. Day 1 to Day 4 sessions conducted by Mr. Sanket Rane. Also he was available on Day 5 for Doubt Clearing Session. He conducted the sessions on Calculation tricks, shortcuts, Numbers (Basic and Power Cycle), Professional Growth (Resume Building, Grooming, GD/PI, Internship). Day 5 session is conducted by Ms. Jyotsna More on "Research Paper Guidelines". Online Quiz conducted on the last day of the course. Certificates were given to the participants who fulfilled all the criteria of the course.

Students were given time at the end of every session for their doubts and they came up with their doubts and question which were solved by Mr. Sanket very effectively. On behalf of XIE, Prof Jyotsna More express the gratitude to Mr. Sanket Rane for accepting our invitation to conduct the sessions in XIE.

Student Feedback and Benefits: Feedback/Suggestions collected from the students through google form and they were very happy with the course. The course was quite informative for the students.
