The Department of Information Technology organised a Project Exhibition on Artificial Intelligence based ChatBots for the final year students of the department concerning their subject Artificial Intelligence, under the guidance of Prof. Simran Singhani.

The AI based ChatBots Project Exhibition was held on October 18, 2019, from 11:00 am to 1:00 pm, in Seminar Hall, Second Floor.

Prof. Teena Verma and Prof. Omprakash Yadav were invited to judge and decide the winners of AI Project Exhibition.

Four groups were awarded with certificates.

The first place was won by Joshi Rohan, Paranjpe Rohan and Purohit Hiralal for their Krishi-Mitra AI based Chatbot for agriculture FAQ.

Second place was won by Moku Manohar, Rane Kedar and Waghela Hiren for their Emergence Management ChatBot.

The third place was won by two groups- Bhogate Aditya, Shetty Shashank, Vaste Prathamesh for their Desi Café ChatBot and Annaldas Divya, Khot Sayali, Naik Madhuri for their Restaurant ChatBot.
