12:00 pm to 1:30 pm

Department:

Information Technology

No of participants:30

A guest lecture was organized for TE IT students on the topic “Advanced Data Management Techniques” and it was delivered by Ms. Sana Naik, Assistant Professor, K. C. College of Engineering, Thane.

The guest lecture was conducted on Google Meet platform between 12:00 pm to 1:30 pm on 4th Sept 2021 and was organized by Ms. Jaya Jeswani from I.T Department.

A total of 30 students attended the guest lecture and the objective of the guest lecture was to provide an insight to the students about various advanced data management techniques and their applications.

The speaker shared her knowledge on advanced data management techniques like Spatial Databases, Temporal Databases and Mobile Databases.

The students were quite amazed at the speaker’s talk and had an interaction with the speaker once the session ended.

After the session a quiz and external feedback was taken.

Students Feedback and Benefits:

1. Good.
2. Very much helpful.
3. Amazing.
